Gentlemen:

“Hawaii’s China Connection”, the 1st documentary film ever jointly produced by Shanghai Television Station, a major television station in China, and CMC Consulting Group Inc., a Hawaii company, is a wonderful first step towards what we hope will be a very successful continuing co-production relationship.

We are very pleased to hear that STV is planning more projects in Hawaii in 2005. We look forward to assisting you in any way we can with what we hope will be a steady flow of projects that underscore a positive exchange of our cultures, community, and understanding.

With much aloha,

Judy Drosd
